What Others Says

I used my \$25 at a great Italian restaurant that I have always wanted to try but never got to it. Thanks to this certificate I was able to finally try them. Very glad I did because now they are my favorite Italian spot in San Diego.

Congratulations

Congratulations, you're the recipient of \$500 worth of restaurant cash. For the next 20 months you will receive a \$25 Restaurant Cash that you can use at your choice out of thousands of participating restaurants nationwide. In addition, you will also have access to an unlimited amount of the latest and greatest fast food and restaurant coupons that you can use to receive discounts at your favorite food spots anytime you want.

How Can We Do This

We drive a ton of new diners to thousands of restaurants nationwide to fill their empty tables. Majority of customers that we send to these restaurants spend around \$66 with a \$25 gift certificate. The whole magic of these promotions is for your customer to enjoy a new restaurant that they otherwise would not have visited and the restaurant knows if the customer has a great meal at a great deal they'll be more inclined to visit again as a regular paying customer in the future. It is all about building brand awareness and customer loyalty for the restaurants involved.
